cross country league

The new season opened with a new and varied course, over narrow paths, farmers' roads and a little tarmac, with some good views over Oxford for those who cared to enjoy a beautiful morning. The sun was out but a cool wind reminded spectators of the usual harsh conditions. The surface was firm and it could be run in trainers. There was almost no mud, a welcome change from the usual league courses.

Many thanks to the hardworking organisers and helpers from Oxford City for their efforts in putting on the event. There were undoubtedly teething problems on some of the courses, and these results have been prepared to the best of the ability of the officials, but may have to be amended in the light of any comments from the clubs which are substantiated.

We remind athletes that each club receives a free copy of this results sheet, and that the series for the season can be purchased by individuals, price £2 for the set. Colour copies of all photos used in the results are also for sale, price £1 for a 4x6 print. We may also have other pictures, and if you are interested please send in your name. All proceeds from sales go entirely to contribute towards the expenses of the league.

The new season kicks off with the under 11 boys

Matthew Ashton of Witney comes home a comfortable winner of the opening race.
