**cross country league**

It was misty at Cirencester Park again this year, and frost made the going fairly hard and mud-free. The programme went like clockwork and many thanks are due to the organising club, Cirencester AC, to Earl Bathurst for the use of the splendid location, and to the Oxfordshire AA officials.

The very steep hill followed by the long finishing straight served to sort out several individual battles, with the defeated finishers claiming not to like hills!

From time to time we have problems with lost disks. Everyone, runners and the clubs' envelope persons, must make sure that disks are placed securely in the envelope. Dropped disks are often impossible to locate in the grass/mud. The league also has to replace lost disks. Remember: no disk - and you risk no score for your team or as an individual.

In these results we have corrected a few age categories and we hope that all are now correct, ready for the final placings after Banbury. Remember the age categories for this cross country season are based on your age on 1 September 1995.

Mark Ashton, in glasses among Witney team mates, at the start of the under 11 boys race in which he scored his fourth victory to take the overall title.

Cher Gill of White Horse Harriers retains the overall senior women's title.
