cross country league

A mild morning greeted us for the opening of the new season. Our hosts, Witney RR put on an excellent show, having coped with a last minute change of course when the familiar field with the water splash and steep hill was closed. The alternative provided a gentle climb to the ridge followed by a long fast descent. The well drained ground had coped well with the rains and the going was easy with very little mud. Witney's efforts were rewarded with a record turn out for the senior races. We ran out of disks for both the men's and women's races. Many thanks to all the Witney club and their marshalls for a great day.

Thanks from the results service go to the following clubs who have provided membership lists with dates of birth on paper or on disk: Abingdon, Banbury, Eynsham, Headington, Hook Norton, Oxford City, White Horse, Witney. This information considerably helps the process of decoding the envelopes. In the case of a discrepancy we have used the data from the club list rather than the envelope.

Mike Hurd, Woodstock's over 50 star, sticks close to Banbury's Simon Pritchard on the first descent. Simon pulled away but Mike held on for third.

Last year's champ, Derek Green, has time to wave on his way to victory, although after opening an early lead he was hotly pursued by Simon Pritchard.
