ROUND 3 Sunday 2 January 2000

First Race 10.00 am

Host Club: Cirencester AC.

Directions: From the B4425 Burford to Cirencester road follow A419 signs to Stroud round dual carriageway to South of Cirencester town. At fifth roundabout follow A419 to Stroud and in 2 miles turn right through lodge gates.

Parking: Adjacent to start/finish. Fee £1.

Course: Flat park, muddy woodland tracks with one steep hill. Suitable for spikes.

Changing: No. **Toilets:** Yes.

Results: are available shortly after the race (usually before 11pm on race day) at <http://www.geocities.com/oxmailxc/results/res99-3.txt>. Because of the closeness to the millennium celebrations, I am afraid, the results will be delayed by a few days.

Corrections for Round 1:

Most corrections for round 1 concern spellings and age categories, which have been changed according to the returned information sheets. Watch the webpage for the most updated version: <http://www.geocities.com/oxmailxc/results/>

Appologies for the mixup in race 2, where three Excel Gosford girls appeared as Witney runners, and in addition I confused a 19 for a 10. Hence the corrected entries are:

16 H Mitchell Gos MM 5.45

19 E McDonnell Gos MM 5.57

22 L Coogan Gos MM 6.45

with the other times shifted accordingly.

Found property after Round 1:

Banbury Road Runners are still looking for the owners of a black long sleeved Ronhill top and a ladies Paisley scarf left behind after the first round at Banbury.

Subject: Corrections for round 2

Unfortunately I managed to enter (at least) two new runners with the wrong club. If you spot any other errors, I would appreciate an email.

The most updated version of all the results reside on the web page,

but the changes against the printed version of round 2 are as follows:
